Dear Parents,

It is with a very heavy heart we share with you the passing of an 11th grade student at the Academy for Information Technology. He attended David Brearley Middle School and was a beloved Kenilworth resident. His brother is a current middle school student in Kenilworth.

Today was a very difficult day for our Brearley community as we mourn this loss. Students, staff members, and administration came together to comfort and support each other during this very tough time. Counseling services are and will continue to be available for students through the end of our school year. If you have specific concern or would like to speak to your child's school counselor or case manager, please contact them using the information below. Students can also go to the guidance department located at the middle high school and ask to speak with their counselor or case manager directly.

Jill Cagney- School Social Worker- x2307
Megan Harrison- Middle School Counselor- x2311
Ewa Lavin- School Psychologist- x2310
